

My INTERACTIVE **RETIREMENT** PLANNERSM

You always have time to review your retirement

In 10 minutes, My Interactive Retirement PlannerSM will help you:

- Set a retirement goal
- Track your progress
- Review options for improving your retirement outlook
- Model different investment savings and retirement scenarios
- Save a PDF file of the information to share with others

How My Interactive Retirement PlannerSM works

Access the Interactive Retirement Planner at nationwide.com/retirementplanner

Follow the prompts to:

- **Tell us about yourself**

Enter age, annual salary and pay frequency to get started. Then let us know if you have already started saving for retirement, when you want to retire and how much you want to spend.

- **Track your progress**

See how all of your assets add up toward your goal. This can include your retirement savings, estimated Social Security benefits and any other assets you tell us about.

- **Review your options**

The tool will illustrate if you're on track to meet your retirement goal. A dynamic digital slide ruler will allow you to adjust your contribution rate and the number of years to your retirement. You'll also see how adjustments will impact your paycheck.
